ACADEMIC TASK FORCE

2018 High School TUITION HELP

Affordable High school tutoring for English, Maths & Science with qualified, highly skilled and engaging teachers.

High School Tuition Help

About our High School Tuition Help:

-  **Maths:** An experienced teacher will help your child understand and solve Maths problems. Teachers will review essential Maths skills and your child will receive individual attention for their specific needs. Teachers can also provide extra work for those who wish to extend themselves.
-  **English:** Teachers will work with your child focusing on areas they may be struggling in, such as grammar and punctuation, essay writing or reading comprehension each week. Your child will practise these skills in the class and receive individual help from the teacher.
-  **Science:** Teachers will work closely with your child to help them understand new or difficult scientific concepts and extend their knowledge and confidence in Science.

About us

Since 1986 Academic Group has helped over 100,000 students and worked with many schools to enable students to achieve academic success.

We have grown by continually evolving to meet the educational needs of WA students and because of the excellent results our students achieve.

Operating as Academic Task Force and Academic Associates, with over 30 years' experience, we have become the experts in providing top-quality revision programs and study resources that help develop the skills and capabilities of students to enable them to reach their full potential.

We are more than a tutoring business; we are a company responsive to the diverse needs of students. We offer a variety of services and we have developed specialised programs and products that have been designed to target students' desire to access the best teachers, receive comprehensive and time-effective revision and result-driven success.

"I am very proud of our excellent record of quality teaching and the high academic results our students achieve"

What Past Students Are Saying

"I got 70% instead of 50% for my latest test." Ethan (Rossmoyne SHS)

"I found the classes very helpful and was able to understand certain concepts I hadn't before." Alira (Corpus Christi College)

"They were great because they were small and the teacher had time to get to everyone." Tayseer (Applecross SHS)

Why choose High School Tuition Help?

Academic Task Force High School Tuition Help Sessions are held with qualified and experienced teachers who have a sound knowledge of the School curriculum and proven success in improving student's school achievement.

Tuition help sessions are individualised according to the learning needs and academic goals of each student, and include consolidation of school subjects, homework help, test preparation, and specialised teaching to build literacy, numeracy and science skills.

High School Tuition Help will give your child detailed attention on the specific subject challenges they are facing. Numbers for each subject are limited, allowing our experienced teachers to give individual attention to students on a weekly basis.
